

NAMC Holiday Appeal 09

The holidays are a time for family. Yet there are so many families struggling silently with simple challenges that can turn devastating without support. You can help by getting involved with an organization that has been effectively helping mothers and their families for 34 years. Take a look at this video to see how Mothers' Centers make a difference.

Every \$100 we raise allows us to move closer to our goal of providing 100 Mothers' Centers programs across the country and make a difference for thousands of families.

We are appealing to those who want to do something effective and long-lasting for mothers and their children.

Your donation of any amount is greatly appreciated and will allow us to serve more mothers and families throughout the United States. To make your contribution even more meaningful, consider making a donation as a holiday gift in memory or in honor of someone special. Just mention the person's name and mailing address for an acknowledgement note in the comments.

"How desperately we need each other, how important a parent is to a child, how important the work that seems so dull, day after day … and yet there lies the frontier of human possibility." ~ Anne Roiphe, Fruitful

Thank you for your support of Mothers' Centers!
