

## Year End Appeal

We hope every new mom has a great start. Unfortunately we know that thousands of mothers have few resources and little support.

Your donation to the National Association of Mothers' Centers supports the Mothers' Centers across the country providing moms and their families the support and community they need for the best possible start for mom, baby and family.

Your tax deductible donation &ndash; in any amount &ndash; will make a significant difference as we welcome the New Year. You automatically become a Mothers' Center member with a donation of \$35 or more.

"When I am asked about the Mothers' Center, I am always sure to tell the women and men that I meet about the networking and solidarity I have witnessed. If I move to an area where there is no such group, well, I guess I'll just have to start one!"
